To our Sponsors,
We at the Bradley A Lorenzo Memorial Foundation would like to thank you for your support in our 10th Annual Golf Outing. This year we once again had a full outing with 36 teams. We also had upwards of 60 hole sponsors.

The money we raised from this year's golf outing will be donated to A Renewed Mind who we have been working with for the past 3 years. A Renewed Mind is a Behavioral Health Service with 9 inpatient, outpatient and Residential settings. Past donations have been used for books, class room supplies & furniture and also an Art Studio where those recovering can use therapeutic art to help in recovery.

It is important to us that we continue to talk to our youth so we remain active with Bedford High School where Bradley attended, offering 2 scholarships, one for \$1,000.00 and one for \$500.00. Students write essays on addiction and we pick 2 winners, this year Shea Cassidy Byrne received the \$1,000 scholarship, she will attend Colorado Christian University and Madelyn Birmingham received the \$500 scholarship and she will be attending Siena Heights University.

Again, thank you for all you done for our organization; this wouldn't be possible without your support.

Larry Lorenzo Jr.
